FURTHER LANGUAGE COURSE PROGRAMS**FOR KIDS AND TEENS**

Carl Duisberg Centren is your reliable partner for language course programs and more in Germany. The comprehensive support provided by our experienced team makes it possible for children and young people between 11 and 17 years of age to take part in exciting holiday courses and school stays of a period of several months.

Language Camps for Kids (11–14 years)

Participants learn German or English in the mornings in the Language Camps with the focus on activity, football and urban dance and enjoy a varied leisure program in the afternoons. The children learn that learning a language can be fun and is not boring at all.

Summer Holiday Course for Teens (15–17 years)

This course combines intensive language training with a varied leisure programme. After the German lessons in the morning, our attractive summer program invites you to do everything that is fun outside: stand-up paddling, beach volleyball and pedal boats rides. At the same time, language skills are practised in casual situations.

School Stay in Germany (from 15 years)

The extended stay abroad immerses the participants in everyday life in Germany. During the program, the students live with a carefully selected host family and attend a German school. For participants with insufficient German language skills we recommend our preparation program "Ready for school."

FOR SCHOOL CLASSES AND GROUPS**Would you like to travel as a group and experience Germany together?**

Carl Duisberg Centren offers language courses for school classes, university and other study groups with a specially tailored recreational program such as excursions or museum visits. Get to know the capital of Germany, Berlin, the Rhineland metropolis of Cologne, the university city of Marburg, the Bavarian Oktoberfest city of Munich or the peaceful Lake Constance region!
